DR26 IFAB LAW 4 THE PLAYERS EQUIPMENT (Relates to Standard Code of Rule 26)

Children and grassroots football: LAW 4: THE PLAYERS' EQUIPMENT IFAB Laws of the Game 2020-21 Although sports eyewear is intended to offer the best protection available, there is always the possibility that the wearer may sustain an eye or facial injury due to severe impact or because of the nature of the athletic activity. Referees should ensure that if a request has been made to wear glasses/goggles, that they must not be a danger to himself or to any other player. Safety - A player must not use equipment or wear anything that is dangerous. All items of jewelry (rings, necklaces, bracelets, earrings, leather bands, rubber bands, etc.) are forbidden and must be removed. Using tape to cover jewelry is not permitted. The players must be inspected before the start of the match and substitutes before they enter the field of play. If a player is wearing or using unauthorized/dangerous equipment or jewelry the referee must order the player to: - remove the item, leave the field of play at the next stoppage if the player is unable or unwilling to comply. A player who refuses to comply or wears the item again must be cautioned. Whilst The FA recommends Polycarbonate lenses, we recognise this may be an issue for children playing grassroots football. Therefore, we encourage referees officiating in grassroots youth football to be tolerant over glasses. However, the individual referee has to show concern for all those playing in that game and if s/he feels there is something dangerous in the glasses i.e., sharp edges, etc., then in order to protect players and also the wearer him/herself s/he has the authority to say the glasses can't be worn. Flying footballs and close physical contact make football a moderate risk sport for eye injuries. Spectacles or goggles may provide protection from injury and can also be worn with those who need to wear prescription lenses. Polycarbonate Lenses: This is the most important property of all protective sports spectacles or goggles. Good polycarbonate is virtually unbreakable and will sustain the impact of a ball or finger. Sports Band: an elasticised band and not temple pieces should secure the frame. Players must have secured tight to the

head so that the sport spectacles or goggles will not fall off. A frame with temples will not hold tight enough and a jab from a finger could lift the frame off and potentially damage the eye.

RULES OF MINI SOCCER

The rules of the Barnsley and District Junior Football League shall apply to this Mini Soccer Competition with the addition of the following: Games are to be played on a Sunday, however if both teams agree they can play on a Saturday. The number of players in each age group will be as follows:

- U7s - five players each team with five roll-on roll-off substitutes
- U8s - five players each team with five roll-on roll-off substitutes
- U9s - seven players each team with five roll-on roll-off substitutes
- U10s - seven players each team with five roll-on roll-off substitutes.

The “retreat rule” is to be used in all U7s to U10s fixtures.

The children will need the Laws explained to them as the game proceeds (e.g., handball, in/out of play). It will also be necessary to demonstrate in certain instances how to re-start the game (e.g., throw ins). Both boys and girls over the age of six and under the age of ten [Updated by The FA Council on 15th May 2008]. U7's to U10's are not permitted to play in leagues where results are collected or published, this is deemed to be detrimental to the development of the player and the game and will not be sanctioned. Size 3 Football is used for all age groups. Each league/competition will determine its own playing time within the maximum time permitted. The half time interval must not exceed 5 minutes. [Please refer to Standard Code of Rules for Youth Leagues] kick-off is taken at the Centre of the playing area to start the game and after a goal has been scored, opponents must be 4.5m (5 yards) away from the ball, and in their own half of the field.

Power Play is recommended – see details on **page 27**.

There is no offside in the age groups U7s to U10s

In Mini-Soccer all free kicks are direct.

The Back Pass Rule is mandatory, it is the responsibility of the home team to advise the referee of this Rule.

RESTRICTIONS FOR PLAYERS AGED UNDER SIX

A few seasons ago the County FA were alerted to the fact that a number of clubs were involved in Under 6 football matches. It is important that you read the information below and make sure you are following the guidelines from the Football Association. So, can we remind ALL clubs and everyone, ONCE AGAIN about the FOOTBALL ASSOCIATION rules that **ONLY** allow competitive or friendly games between affiliate teams/clubs to be played where the player/players are aged 6 by midnight on 31st August 2017.

Affiliated Football is from Under 7s upwards, i.e. Under 6 tournaments and matches are not sanctioned by the County FA.

From the Football Association's Standard Code of Rules for Youth Competitions, Rule 8C – Qualification of Players states: A child who has not attained nor will have attained the age of six as at midnight on 31st August in a playing season shall not play, and shall not be permitted or encouraged to play, in a match of any kind in that playing season. If the County FA discover that teams/clubs have been playing games against other teams/clubs, this could result in a disciplinary charge being brought against the club and where appropriate welfare issues raised. Young players should be developing their football and general ball skills and coordination through enjoyment and practice, the County FA would ask clubs/teams to be mindful of this.

BOARD OF APPEAL

Within 14 days of the posting written notification of any decision of the Management Committee of the Competition a Club, Official or Player against whom action is taken may appeal against such decision by lodging in duplicate with the Discipline Team of the Sheffield and Hallamshire County Football Association, including a fee of £25.00 for adjudication of a Board of Appeal. SAFEGUARDING GOOD PRACTICE GUIDELINES

These notes are for managers, assistance, coaches, and anyone who is involved with any child under the age of 18 connected with the Barnsley and District Junior Football League.

Here are some simple do's and don'ts when working with children

Never be alone with a team member, always ensure another adult or child is present at all times.

Do not carry team members in your car alone. Ensure someone else is with you (can be useful to also check your insurance if carrying players!)

Only use the family phone number to contact players. Do not have players mobile numbers in your phone memory.

If you use email to contact players use the family email address not the players private email address.

Be aware of the language you use with players. Ensure it is age appropriate! Never swear in front of the player or at them.

Do not invite players to your home unless accompanied by their parents.

Never take part in rough, physical, or provocative games including horseplay!

Do not do any act of a personal nature that a player can do for themselves.

Be aware of the ages and stages of development of your players.

Be alert to signs of abuse in your players. Note any changes in behavior, appearance, or attitude which you feel are unusual for that player and report them to your Club Welfare Officer immediately.

All allegation of racism must be reported to your Club Welfare Officer and the League Welfare Officer who will report the incident to the Welfare Officer at County FA for investigation.

Any allegation of bullying must be reported to your Club Welfare Officer and the League Welfare Officer who will report the incident to the Welfare Officer at County FA for investigation.

Ensure all allegations of abuse, in any form, are reported to your Club Welfare Officer immediately.

You are in a position of trust and must uphold a level of maturity and distance from all players.

If you have any questions about these guidelines, please contact:

FA RESPECT CAMPAIGN

The Barnsley & District Junior Football League have signed up to the RESPECT campaign.

The RESPECT campaign aims to improve the standards of behavior across the professional and grassroots game, reducing the drop-out of referees and the number of abandoned matches and reintroducing formed into football.

Local registered leagues and clubs are being asked to sign up to RESPECT and to introduce the following recommendations and guidelines into their matches and club management.

Step 1: Codes of conduct for players, referees, coaches, and spectators which set down basic principles that everyone must sign and adhere to.

Step 2: Designated Spectators Areas defined by touchline barriers to keep spectators back from the pitch.

Step 3: Captains take responsibility for their players and become the main point of contact for the referee.

Step 4: Referees managing the game and dealing with any open show of dissent.

Step 5: The Fair play handshake takes place prior to the start of all fixtures.

Step 6: All spectators on one side of the field of play and the managers/coaches should remain on the other side, preferably in the technical area.

The RESPECT campaign is crucial to helping us all work together to change the negative attitudes and unacceptable behavior which threatens the future of football.

This is a long-term commitment but, if we all play our part, together we can really make a difference.

The appearance of the RESPECT campaign will be closely monitored, and any discrepancies will be dealt with by the management committee. Further details of the RESPECT Campaign can be found on the FA website: <http://www.thefa.com/my-football/more/respect/respect-resources>.

CODE OF CONDUCT - CLUB OFFICIAL

Show respect to every player.

Be conscious of the safety of every player.

Be aware and follow the guidelines of the governing body (Barnsley & District Junior Football League)

Be of good behavior and appearance.

Be respectful of all decisions made by match officials.

Never use inappropriate or foul or abusive language.

Must abide by medical advice concerning an injured player.

Always ensure all players are aware of the times of matches a training session and have a contact number in case of any cancellations.

Attempt to play all players whenever possible to play and develop their skills, being encouraging at all times.

Must always abide by the equality procedures and encourage all players to feel inclusive.

Encouraged to attend Coaching Courses to keep up to date with the latest techniques and drills.

CODE OF CONDUCT - CLUB PARENTS & SUPPORTERS

Parents will be responsible for ensuring that their child gets to the club match or activity in plenty of time.

They will also be responsible for getting their child home safely.

They must respect every player on the park including the opposition.

They should avoid coaching their child during a game or club activity.

They should be encouraged to applaud good play from both sides.

They should not shout and scream.

They should on no account question the match official's decision.

If adults are seen to be questioning decisions, then how are we expected to teach the children to accept

the decision?

They should support and encourage all club officials.

CODE OF CONDUCT – PLAYERS

Respect the property of the club, i.e., kit, training facilities, dressing rooms.

Respect the club officials and fellow players on the park including the opposition.

Respect the decisions of the match officials.

They should, where possible, be encouraged to make an effort to study the laws of the game appropriate for the age group they play in.

Ensure they are punctual for all matches and training sessions.

Respect your opponents.

Advise the manager / coach when they will not be available.

They should inform their manager / coach of any medical conditions or injury sustained before or during club activities.

They should show a high standard of behavior during all club activities and refrain from displaying dissent or bad language.

This list is not a comprehensive set of standards, but we would encourage all clubs to develop their own codes of conduct. It is then a good idea to get everybody including parents to sign an agreement stating they will abide by the club's codes of practice plus the club's Child Protection Policy.

COMPLAINTS – (Guidance only)

One thing that you can guarantee as a club committee is that you will get complaints. Complaints about players, parents, managers, coaches and even committee members. Not all of these need to be dealt with formally but should still be recorded. However, some complaints will be more complicated, it is important to have a clear process for dealing with these so that there is consistency, transparency, and a clear timeframe. If a complaint is allowed to drag on for a long time, then it can get blown out of all proportion and becomes extremely stressful and time-consuming. Bear in mind that if the complaint is upheld you may be looking at dismissing the subject of the complaint from the club so it is important to know that you have all the information and you can justify your decision and the action of the club. Equally, you may decide NOT to dismiss this person from the club, again you need to be able to demonstrate why that decision has been made. The simple steps in this guide should help to keep you aware of what to do and how to do it.

Step 1: Complain Received - At the time of receiving the complaint whether in person, by face or email, it is important to get as much information about the incident or incidents as possible. Names, dates, location and if there are any witnesses are important areas to cover.

Step 2: Record the Information - You need to keep recording the information as you go along. Set up a folder, electronically or paper, saved under a sensible name, the initials of the subject of the complaint and the date.

Step 3: Ongoing Referral - Do you need to refer this to another person or agency? If it is an emergency and someone is at immediate risk, then you must call 999 straight away. If you want further advice, you can call the NSPCC helpline on 0808 500 8000. Also consider calling the Designated Safeguarding Officer at the County FA for additional help and advice.

Step 4: Inform Committee Members – You do not have to deal with this on your own, your club's committee should work together to manage all complaints and to support one another. Decide who is going to take charge of the complaint and who is going to take what action. You may think that the complaint warrants a temporary suspension of the person concerned so this must be done as a whole committee.

Step 5: Inform subject of complaint - You must do this as soon as possible whether you are taking a decision to suspend them or not. If possible, it is best to do this in person, backed up by a letter, preferably given to them by hand. The subject of the complaint will be worried, upset, and angry, if you talk to them face to face, they will have the chance to ask questions about what the process is and what will happen to them so that you can reassure them that you are dealing with it quickly, appropriately, and discretely. Do not tell them who has made the complaint as this will lead to a potential escalation. Ask them not to talk to the

parents of the team about the situation and not to put anything on any social media. Also put that in the letter as a condition.

Step 6: Investigate and Write Reports - Get as many witness statements as possible. Ask people to email you with their impression of the incident. Get a statement from the subject of the complaint and ask coaches, managers, and committee members if there is any other information that might be helpful. Check if there are any other recorded incidents, pull all the information together into a report. Keep the report anonymised so that there are no names of club members included. The information can be on the lines of "6 statements were received that said..."

Step 7: Hold Committee Meeting - Discuss the witness statements, discuss any mitigations or additional incidents, and decide what action to take. Make sure that this meeting is minuted and that the minutes, witness statements and any testimonials are stored in the folder.

Step 8: Inform Relevant People - Firstly inform the subject of the complaint, again best-done face to face. Invite them to a meeting with a couple of committee members, not the whole committee otherwise it can be seen as intimidating. Let them know how you have investigated the complaint, and that the committee have met and agreed what action is to be taken. Remember that the witness statements and testimonial are confidential, the subject of the complaint does not have any right to see them or to know those from whom the information has come. Inform the original complainant that you have investigated, taken appropriate steps, and are closing the concern. Remember that the complainant does not have the right to know what action has been taken and does not have the right to see the report.

ACTIONS

So you have done all your investigations, gathered evidence, and are now meeting to discuss what action to take. There are obviously a number of different routes you could use depending on the findings of your investigation.

NO ACTION - The complaint is unfounded, with no evidence, no witnesses, contradictory information. This is a common outcome, just make sure the complaint is recorded in case something happens in future.

REMINDER OF CODES OF CONDUCT - There is some evidence of poor practice but as a club/committee you feel that you can manage it and the subject of the complaint is aware of their behaviour and is appropriately contrite. Make sure they re-sign the code of conduct, remind them of the club ethos and what you expect from them.

REDO THE SAFEGUARDING CHILDREN WORKSHOP - This would be appropriate for a coach or manager if they have not done any Safeguarding training for a while.

PUT THEM ON A BEHAVIOUR CONTRACT - Monitor their behaviour for a set period, tell them what you expect and what the consequences will be if they break the contract. If this is for an u18 player, it is important that the parents are signed up to this as well and are supporting the club.

TEMPORARY SUSPENSION - Clubs are perfectly within their constitutional rights to suspend any member including parents or other spectators linked to a player, do this in writing. Be clear about the dates or number of matches, sessions that the suspension will last for and the reasons.

PERMANENT DISMISSAL - This is obviously the last resort as no one wants to get rid of any club member but sometimes it gets to that stage. This should only be done if other actions have been taken such as suspension, and those actions have been properly documented. This needs to be set out in writing by the Club Chair and the committee. If this happens, other club members need to be informed so work out a formal statement to send out.

HINTS AND TIPS - Not all complaints require a full investigation process, but all complaints should be noted. If the subject of the complaint is under eighteen, then the parent/carer needs to be involved at all stages. All the information should be kept confidential. Time frames need to be set out clearly at all stages, the more people you have on the committee the easier it is to follow due process. The subject of the complaint may want to appeal against the decision or escalate it to the County FA. The complaints procedure should be available for all club members to view.

ESCALATION - If the subject of the complaint is dissatisfied with the overall outcome, then they may wish to escalate to the County FA. In this case the incident will be referred to the DSO or to the Discipline Officer, Officer. If an incident is escalated the CFA officer in charge of taking this on will need to see the

route and information about the complaint, the club's investigation and how the outcome was reached. The escalation investigation does not necessarily reopen the original complaint but looks at how the complaint has been handled by the club to see if there has been any mishandling. If the CFA felt that the original investigation mismanagement in the Club's handling of the investigation, then the CFA would work with the club's committee to look at their procedures and take action accordingly.
